The screenshot shows a file upload interface for a PDF document named 'testfile12345.pdf'. The file is currently 'Loading PDF...'. On the right side, there's a sidebar with options like 'Share', 'Request Signature', and 'Download'. Below these are tabs for 'Public Comments', 'Private Notes', 'Details', and 'Activity'. A text input field says 'Send a question or comment...'. A note at the bottom states: 'NOTE: Everyone associated with QA Test can see anything posted to this thread. For private notes, click on Private Notes'. At the bottom right of the main window is a blue circular icon with a red notification dot.
